

# Delta Sigma Pi

## News Release

DSP and RMHC join in Make a Difference Day by giving back to community with pop tabs.

Delta Sigma Pi Gamma Chapter will be working with the Ronald McDonald house to provide support for the families staying at the House. Oct. 24, 2020 is National Make a Difference Day. DSP always makes an effort to give back to their local communities on Make a Difference Day.

In 2019, 13,600 pounds of aluminum tabs were recycled to create a revenue of \$4,700 to give to the RMHC Family Fund. The Family Fund supports families staying at the house by providing meals and items, assistance in emergencies, and giving families special moments like small gifts for a birthday at the House. These pop tab collections also go to operational costs at the House.

DSP often volunteers with Ronald McDonald House Charities. Other volunteer efforts for RMHC they have done are cleaning facilities, outdoor work, and donating holiday cards to families that are in the care of RMHC at those times.

To donate pop tabs, start by collecting them in a jar with a decorated label. E-mail Alex Gaytan at [Lgaytan@unomaha.edu](mailto:Lgaytan@unomaha.edu) to set up a time for drop-off.
